

# DISASTER RESEARCH CENTER

## Alumni Profile Series

### *Participant Form*

Disaster research is interdisciplinary in nature and therefore provides many opportunities after graduation. DRC showcases these successes in our "Alumni Profiles" series.

Share how your time and experience at DRC has enhanced your career thus far. Complete this form and email it to [drc-mail@udel.edu](mailto:drc-mail@udel.edu).

**Name (as you wish it to appear):** \_\_\_\_\_

**Graduation Year, Degree:** \_\_\_\_\_

**Current Job Title and Organization:**

---

**Brief Bio**, 100 to 200 words, including a description of your current position and responsibilities, past employment and professional achievements. See examples at [drc.udel.edu/people/alumni-profiles](http://drc.udel.edu/people/alumni-profiles).

---

I have attached a "headshot-style" photo to the email submission of this form.

I give the Disaster Research Center and the Disaster Science & Management program permission to use my photo and biography.
